Flat 7 Stanley House

Welcomed to the market this neatly presented, ground floor conversion enjoying a fine and enviable setting in sought-after Bridge of Allan. Steeped in history, Stanley House dates back to the mid 1800's and was built as a school, then used a hospital before being converted into flats.

The internal accommodation comprises: entrance hall, welcoming hall with large storage cupboard, dual aspect lounge, kitchen, three good sized double bedrooms and modern bathroom. Traditional, double glazed, timber sash and case windows, gas central heating and high ceilings.

Externally are large communal garden grounds, with a sweeping driveway either side, laid mainly to lawn to the front with a variety of trees, shrubs and to the rear is a split-level garden with a fine selection of herbaceous plants. Central courtyard and off-street residents parking to the front and side.
