THE HOUSE

Halliday Homes Collections are delighted to bring to the market, Auchengarroch, this most impressive, detached Victorian house which sits within walled garden grounds with a gravel driveway and gated entrance. Erected in 1865, this C listed Victorian style property with Art and Crafts addition, holds a commanding position looking over the town of Bridge of Allan and benefits from modern day living yet still retains many of original features.

The internal accommodation over 3 levels is well laid out both for family living and entertaining. From the front door is an open porch to the entrance hall, open plan bay-windowed hall/sitting room featuring a split staircase to the first floor, dual aspect drawing room with double doors to a south facing sun-room, dual aspect formal dining room and breakfasting kitchen. On the first floor there are 4 double bedrooms with the principal bedroom benefiting from an en-suite, and a bathroom completes this level. On the lower ground floor there is a large hallway giving access to bedroom 5, study, utility room with shower and an ironing room. There is also access to the rear garden from the lower level.

Traditional features include: leaded sash and case windows, deep skirtings, decorative cornicing/ceilings, ceiling roses, timber staircase, original doors and architraves.

A photograph of a bathroom with patterned wallpaper, a bathtub, toilet, and bidet. The room features light-colored wood paneling on the lower half of the walls and patterned wallpaper on the upper half. A large window on the left side has a plant on the sill. A bathtub is positioned in the center, with a brown towel draped over it. A toilet and bidet are on the left, and a wicker chair is on the right. A brown rug is on the floor.
