THE SIDINGS

EH49

Set within a highly accessible location, just a short walk from the train station and bustling high street, 'The Sidings' is your new destination for low carbon living in Linlithgow.

The development offers the opportunity to step off the fast-paced main line and embrace a relaxed lifestyle in one of central Scotland's most desirable places to live, all while being surrounded by a wealth of amenities and within easy reach of Glasgow and Edinburgh city centres.

YOUR NEXT STOP IS LINLITHGOW

THE SIDINGS

EH49

Famous for being the birthplace of King James V and his daughter, Mary, Queen of Scots, Linlithgow has retained much of its ancient, royal character but there is nothing to suggest this is a languishing medieval ruin.

Far from it.

Historical landmarks and characterful cobbled backstreets form part of a thriving town centre. Its High Street is busy, its attractions are plentiful, and on the doorstep of 'The Sidings'.

Linlithgow is greatly advantaged by being situated on the arterial route between the east and west. Linlithgow Train Station is less than a 10 minute walk from 'The Sidings' and offers regular services to Glasgow, Edinburgh, and Stirling, with a number of stops in between connecting you across the Central Belt.

If travelling by car, the M9 is a short drive away, or if public transport remains of preference, the convenience of local bus services can be accessed from Edinburgh Road (B9080), directly adjacent to the development.

CONVENIENCE MATCHED BY STYLE

THE SIDINGS

EH49

'The Sidings' comprises a single five-storey block of 2-bedroom apartments that share a masterplan with a brand-new, purpose-built care home. The robust contemporary aesthetic is complemented by a focus on modern open-plan living, with four distinct apartment styles - each designed to optimise space and natural light.

Lower ground-floor properties are offered with a spacious hard-landscaped terrace, and all upper-floor properties benefit from full lift access and a private balcony. Every home has an allocated parking space with EV charging, while comfort and peace of mind are enhanced by video entry and well-lit common areas.

PREMIUM, LOW MAINTENANCE SPECIFICATION AS STANDARD

THE SIDINGS

EH49

Your designer kitchen is crafted from high-grade materials and comes fully equipped with ample cupboard space and Bosch appliances, each backed by manufacturer warranty cover. Stylish bathrooms, finished with ceramic tiling and chrome brassware, are also ready for immediate enjoyment and relaxation.

Integrated wardrobes are installed in both bedrooms, while the scenic routes around Linlithgow Loch can be fully explored thanks to a dedicated bicycle store for every home.

Pendant light for depiction purposes only and not included as standard. See rear cover for full image terms.

ARRIVING AT LOW CARBON LIVING

THE SIDINGS

EH49

At 'The Sidings', the focus on quality and low-maintenance living extends far beyond fixtures and finishes. Advanced construction methods, combined with high-performing PVCu windows, create a highly efficient building fabric designed to minimise heat loss and enhance year-round comfort.

Each home also benefits from its own exhaust-air source heat pump, providing an eco-friendly alternative to gas heating, and solar panels connected directly to the property. These features will work together to naturally reduce energy consumption and household bills, while also removing the need for costly energy-efficiency upgrades during Scotland's net zero transition.
